

Policy_ID: CIP-RWP-010

Policy_Name: Remote Work & Asset Usage Policy

Version: 1.1 Effective_Date: 2025-01-01

Risk_Category: HR & Operations

Applicable_Regulations: [SOC 2, ISO 27001, Local Labor Laws]

Owner: Office of the Chief Compliance Officer (OCCO)

Remote Work & Asset Usage Policy

1. Purpose & Eligibility [Risk Score: 3]

This policy ensures the security and compliance of Capstone operations performed outside corporate offices.

- **Eligibility:** Remote work requires explicit approval from the direct manager.
- **Regulated Data:** Employees handling PCI, HIPAA, or SOC 2 restricted data require additional **Information Security Approval**.

Non-Compliance Impact: Working remotely without approval, especially with regulated data, is a **Medium Risk** violation that may result in immediate revocation of remote privileges.

2. Security Requirements [Risk Score: 5]

- **Device Protection:** Use **ONLY** company-issued laptops. Full-disk encryption must be enabled.
- **Network:** Public Wi-Fi is allowed **ONLY** via the Capstone Global VPN.
- **Physical Security:** Screens must be locked when stepping away. Devices must never be left unattended in vehicles.

Non-Compliance Impact: Processing corporate data on a personal device or unencrypted network is a **Critical Risk** (Score 5) violation. Loss of an unencrypted device may lead to termination.

3. Asset Usage Guidelines [Risk Score: 4]

Strictly Prohibited:

- **Personal Cloud:** Uploading work files to personal Google Drive/Dropbox.
- **Printing:** Printing confidential documents at home or public centers without specific approval.
- **Sharing:** Allowing family members or others to use corporate devices.

Non-Compliance Impact: Exfiltrating data to personal cloud storage is a **High Risk** violation treated as potential data theft.

4. Physical Workspace & Privacy [Risk Score: 2]

- **Environment:** Employees must maintain a private workspace where screens are not visible to others (e.g., avoiding working on confidential tasks in coffee shops).
- **Ergonomics:** Workspace must meet basic safety and ergonomic standards.

Non-Compliance Impact: Repeated exposure of screens in public spaces is a **Low to Medium Risk** privacy violation.

5. Financial Provisions [Risk Score: 2]

Capstone provides the following reimbursements:

- **Internet:** Monthly allowance of **\$25 USD** (or ₹1,800 INR).
- **Ergonomics:** Annual reimbursement up to **\$150 USD** for office equipment.
- **Liability:** Employees are financially responsible for damage to assets caused by negligence.

Non-Compliance Impact: Falsifying reimbursement claims is a **High Risk** fraud violation (see Code of Conduct).

6. Incident Reporting [Risk Score: 5]

Immediate Reporting Required (within 1 hour):

- Lost or stolen devices.
- Suspected malware or phishing attempts.
- Accidental data disclosure.

Non-Compliance Impact: Failure to report a lost device immediately is a **Critical Risk** that hampers breach containment, potentially leading to legal liability.
